21 Plaintiff SATA GmbH & Co. KG (“SATA”) and Defendant Taizhou Tool-Bar Machinery
22 Co., Ltd. (“Tool-Bar”) (together, the “Parties”), by and through their respective attorneys of record,
23 hereby stipulate and agree under LR 7-1 to request an order extending the current deadline for
24 SATA to respond to Tool-Bar’s Motion to Dismiss the Complaint, filed on December 19, 2024
25 (ECF No. 9) (“Motion to Dismiss”), as follows.

26 The Parties request that SATA’s response deadline be extended fourteen (14) days, from
27 January 2, 2025, to January 16, 2025. This extension is warranted because SATA’s current

1 response to the Motion to Dismiss is due the day after the 2025 federal New Year's Day holiday,
 2 and which period to prepare the response includes the 2024 federal Christmas Day holiday. This
 3 is the Parties' first stipulation affecting the date of SATA's response to Tool-Bar's Motion to
 4 Dismiss, and it does not affect any other date or deadline in this action. Additionally, the Court has
 5 not yet set the case for trial. The requested extension is sought in good faith and not for purposes
 6 of undue delay.
